No building or modification or addition thereto, fence, wall, pool, landscaping or other structure shall be commenced, constructed, erected or maintained upon any lot, nor shall any exterior addition to or change or alteration therein be made to the Lot or Dwelling Unit unless it is (1) in compliance with all applicable zoning codes; (2) other applicable regulations; and (3) unless and until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Review Committee (ARC).

Section 2. Procedure for Review. Any Owner needing the approval of ARC shall deliver an application or request for action to the ARC by certified mail with return receipt requested or by hand delivery with signed receipt together with a floor plan, landscaping plan, site plan and abbreviated specifications, including exterior material and colors.
